Professional Profile

HTML/CSS-focused front-end developer and Computer Science student with hands-on experience building responsive web interfaces and maintaining clean, semantic code. I have created and maintained several real-world projects, including a personal portfolio site and UI-focused web apps, using HTML5, CSS3 (Flexbox/Grid), basic JavaScript, and React. I am now seeking to join Prolific as a Domain Expert to **evaluate and improve AI models** by analyzing, editing and writing HTML/CSS with a high level of accuracy and attention to detail.

Core Skills

1. Semantic **HTML5** and **CSS3** (Flexbox, Grid, responsive layouts)
2. Building and debugging responsive UIs for desktop and mobile
3. Cross-browser testing using Chrome/Firefox dev tools
4. Basic **JavaScript** and **React** (component-based UIs)
5. Version control with **Git/GitHub**
6. Careful code review and refactoring for readability and standards compliance
7. Strong attention to detail; able to focus on complex tasks for extended periods
8. Clear written communication and documentation

Technical Projects

Personal Portfolio Website – “SamZyte” – Front-End Developer (React, HTML, CSS, GitHub Pages)

Built a responsive portfolio site to showcase projects and skills using React components and JSX. Implemented layout using modern CSS (Flexbox/Grid) and reusable utility classes. Managed the project with Git/GitHub and deployed to GitHub Pages.

UI Projects – “Trillo” & “Let-Me-Portfolio” – Front-End Developer (HTML5, CSS3, Basic JS)

Developed static, content-rich pages focusing on layout, typography and reusable CSS patterns. Practiced best practices in semantic HTML, accessibility-minded structure and responsive design.

Group Project – “Contract-Redliner” (Front-End), (React, TypeScript, HTML, CSS)

Contributed to a front-end web app for managing and reviewing contracts. Worked with a small team, using Git for collaboration and code reviews.

Work & Volunteering Experience

Online Airline Ticket Salesperson – ASAP Tickets Jan 2025 – May 2025

Worked in a fast-paced online environment requiring accuracy and attention to detail. Handled multiple tasks simultaneously while maintaining data quality and professionalism.

Kitchen Staff (Volunteer) – Ali Institute for Quranic Memorization (AIQM)
2021 – 2023

Supported a busy team by following detailed procedures and maintaining high standards of hygiene. Demonstrated reliability, focus, and the ability to work on my feet for extended periods.

Education

BSc (Hons) Computer Science (Final Year Top-Up)
London South Bank University – *Oct 2025 – Sep 2026 (Expected)*

IT & Computing (Distance Learning)
Online Business School – *Jul 2023 – Sep 2024*

WAEC Certificate – The International School Ibadan (ISI) – *Completed 2018*
